The minimum age to stand for election as a community councillor in West Lothian is 18. Qualification is by residency within the specific community council area. The names and addresses of individuals seeking election to a community council must appear in the Electoral Register of the community council area they wish to join at the date of election.

Candidates require to be nominated by a proposer and seconder, whose names and addresses must be on the Electoral Register for the same community council area. Nominations require to be submitted with the candidate's consent. Self nomination is not permitted. Proposers and seconders cannot consent to more than one nomination form.

There is provision for 4 youth members between the ages of 14-18 to serve on every community council across West Lothian. A separate nomination form is available for anyone under the age of 18 who wishes to join their local community council.

The closing date for receipt of nominations is 5pm on Thursday 14th September 2017.

Nomination forms should be posted in sufficient time as late nominations cannot be accepted. Alternatively, nomination forms can be lodged at West Lothian Civic Centre, Howden South Road, Livingston, EH54 6FF. The Returning Officer accepts no responsibility for nominations which are received after the deadline.

A nomination form will be rejected if:

- it has not been properly completed and signed;
- the candidates name or address does not appear in the electoral register for the community council area;
- the name and address of the proposer or seconder does not appear in the electoral register for the community council area; or
- the proposer or seconder has consented to a nomination form that has already been accepted.

On the expiry of the period for lodging nominations:-

- No election shall be necessary if the number of candidates nominated is at least 4 and not more than 18. All candidates will be declared to be elected with effect from 26th October 2017.
- An election shall be necessary if the number of candidates nominated exceeds the maximum prescribed size of 18 members and arrangements for a Poll shall be implemented.
- No community council shall be established if the number of candidates nominated is less than 4. The council may issue a second calling for nominations in areas where community councils failed to meet the minimum membership requirement within 6 months of the closing date for receipt of the first call for nominations.

Where more nominations have been received than there are places available, a period of 7 days will be allowed for anyone who wishes to withdraw from the election process. The deadline for withdrawal of nominations is 5pm on Thursday 21st September 2017. No nominations may be withdrawn after this date.

At the end of the withdrawal period, an election will be organised for any community council that still has more candidates than it has spaces available. The Rules for Election provided overleaf give additional information about the election process.

RULES FOR ELECTIONS
